To Stockraisers:

FINALLY, after many perplexing difficulties, and obstacles not anticipated, we have succeeded in completing Vol. No. 1 "Texas Stock Directory or Brand Book," and hope that it will come up to the expectations of the public, in general appearance and usefulness.

It would be uncommon, indeed, should such a work as this be carried through, without containing some slight errors, either in the spelling of a name or otherwise, when it is taken into consideration that we have a great many agents, and that the owner himself, not unfrequently, in endeavoring to mark down his brand will make a slight variation from the iron itself, and even write his own name indistinctly. We have been exceedingly careful to have all the brands received by us, inserted, when they have reached us previous to the printing of the Counties to which they belong, also, to have the copy followed *verbatim et literatim*, and think we have succeeded in doing so. If there should be any, however, who have paid for the insertion of their brands, the same not appearing in the book, they will please inform us, and the money paid in will be refunded.

Either from want of faith in our ability to complete this work as contemplated, or inattention in proper time, to what we consider one of their important interests, many persons have sent in their brands since the counties in which they reside, have been printed, and of course they do not appear with those of their neighbors. There are others who have not as yet sent in their brands at all and who would like probably to do so, after examining this work and reflecting a moment as to the prospective benefits to be derived from having their brands printed, circulated and known by the entire stockraising community of Western Texas. To all of such, we take this occasion to say that it is our intention to print a supplement to Vol. No. 1., some time in June, or as soon thereafter, as brands enough have accumulated to make fifty pages:—the *Supplement* to be sent free of charge to those who may purchase the book, a record of the name, county and post office of such, to be kept for this purpose.

In order to secure the appearance of brands in the Supplement, each one must be accompanied with Two Dollars Specie, or its equivalent in currency, which is the price for inserting brands; otherwise they will not be engraved and inserted.

If it *should* occur that brands or names have been printed incorrectly in this Vol. (the fault being ours, or that of our agents,) we will make the proper correction in supplement, without any additional charge.

PREFACE.

11 and 10. = 8/3/64

In bringing before the public this the first Volume of the Stock Directory or Brand Book, we deem that a few words are called for by way of apology. Circumstances over which we have had no control have retarded the publication of the work several months beyond what was at first anticipated. We presume that we need hardly say that those hindering circumstances grew out of the war by which our country has been so fearfully convulsed up to within a very short period. And while it is true that to this cause is mainly attributable the delay in the appearance of our work, there were found other difficulties which had to be overcome, not the least of which was found in the apathy and want of faith in the utility of the work on the part of those interested in it. Perhaps this should cause us little surprise, for it not unfrequently happens that those enterprises redounding most to the benefit of the public, are slowest in being appreciated. We now feel, however, that the Rubicon has been passed, and if, with the assistance of this work, Stock-raising does not become more profitable, and the calling more reputable, we shall frankly acknowledge our disappointment.

The utility of such a work as this is too evident to require much remark, since it is a well known fact, that every neighborhood has within its bounds more or less animals bearing brands unknown to the citizens thereof. By means of this book the ownership of these strays is made known and the animals recovered.

The present system of stock-raising in Texas is not only unprofitable to a large proportion of those engaged therein, but is gradually becoming, in many localities, to a considerable degree disreputable. This, in common with the mass of our fellow-stockraisers, we are sorry to see and be compelled to admit. Pastoral life is almost as ancient as the world itself. Healthy, to a considerable degree pleasant, it could, in many portions of our State be made highly profitable according to the capital invested; *provided*, we would all obey the Scriptural injunction, "*Do unto others as we would that they should do unto us.*"

In order to make this work useful in restoring lost Stock to their rightful owners two things are essential: In the first place, when stock is sold it should be invariably contrabanded. Second. when strange animals to the range are discovered, every stock-raiser should make it his duty to examine the Directory, ascertain to whom the animal or animals belong, and give such information as will lead to the recovery of the same. If this should be done, thousands of animals will be restored to their owners, that would otherwise be a permanent loss. To a good man, the consciousness of having performed an act of kindness towards his fellow man, would be a sufficient reward, even though he should not be the recipient of any other, which would not often occur for we are of those who believe that there few

persons who would not cheerfully give remuneration in some way for information leading to the recovery of their lost stock.

The Publishers embrace the occasion to say that they expect to proceed with the Second Volume (which will embrace the territory lying between the Guadalupe and the Colorado) at an early day, and hope those who wish to have their Brands inserted will send them forward at once.

A General Assortment of Groceries, Liquors, &c.*Will take Wool and Hides in exchange.***MICHEL & CO.****Valuable Improved Stock and
Lands for Sale.**

I offer for sale, for Cash, my Sheep Rancho in Bandera county, two miles East of the county town, and fronting on the Medina River, well improved and in good running order, containing 3,500 acres of Land, with 2000 head of Full Blood Merino and Grade Sheep upon it: (One hundred Full Blood Rams, fully guaranteed for breeding purposes, being on hand for sale, at any time called for;) together with all the fixtures and furniture necessary to carry it on successfully, including two dwelling houses, 1 cabin, field and pasture enclosed, corn, corn crib and stable, household furniture, horses, sheep and dogs, and within two miles of a Saw and Flouring Mill.

Also—the Estancia No. 2, four miles South of the former, upon Bruin Creek, containing 2000 acres of Land, connecting with valuable outlets for grazing purposes, with a cabin and good pens upon it, and watered by permanent springs at the Estancia, and bounded on the East by the Medina river. Both places have land upon them suitable for growing corn and wheat, and each place is desirable as a separate point for farming and stock-growing, and each can be purchased separately with part of the stock, or the stock purchased without the lands, as would suit a purchaser. I have also for sale several other Stock Ranchos, with the stock upon them, unimproved lands suitable for settlement, and irrigable Lots in San Antonio, for gardening purposes.

*San Antonio, February 1, 1866.***JOHN JAMES.**

The Sheep and the Rancho can be seen by applying to SAMUEL F. CHRISTIAN, Esq., on the premises, who will also sell the Bucks and give every information required.
